Director-Community Service

Community Service is the soul of our club's mission—the avenue where empathy becomes action, and where our collective strength uplifts those who need it most. As Director of Community Service, I am humbled by the unwavering spirit of our members who continue to serve with

compassion, creativity, and commitment.

To every member who volunteered, donated, coordinated, or simply showed up—you are the reason our club continues to make a meaningful difference. Let this bulletin be a mirror of your impact, and a reminder that service, when done together, becomes legacy. Let us continue to serve not for recognition, but for transformation.

Boier Desh - Universal Smile

Day 1 - 02/08/2025

On 2nd August 2025, we visited Universal Smile Orphanage situated at Anandapur, Kolkata 700107 to conduct a survey. We wanted to know the children's requirements and necessities before conducting our project Boier Desh. We have been conducting this since last year and every year we adapt and change according to the children's requirements.

A total of 31 students were present that day at the orphanage, out of 42 students, some absent due to tuitions. Before starting our survey, we distributed Bourbon biscuits to all students, so they can have a snack while we work and interact with them.

The findings of our survey are listed in the following page.

Director-International Service

It is with immense pride and purpose that I pen this message as the Director of International Service for our Rotaract Club. In a world that often feels divided by borders and beliefs, our commitment to international service reminds us that unity is not just possible—it is essential.

Rotaract's international service avenue is more than a portfolio; it is a promise. A promise to build bridges across cultures, to foster understanding beyond language, and to extend our hands in service to communities we may never physically visit, but whose stories touch our hearts.

Rtr. Ankita Roy

Director-Women Empowerment Cell

As the Director of the Women Empowerment Cell of Rotaract Club for the year, my vision is to create an inclusive and empowering environment where women and girls are equipped with knowledge, resources, and confidence to lead healthier, safer, and more independent lives. Through impactful initiatives like the "Dignity in Every Cycle" menstruation health drive, we aim to normalize conversations around periods, ensure access to hygienic products for underprivileged communities, and bust

menstrual myths. Our "Know, Check, Prevent" breast cancer awareness program will focus on early detection through screenings, self-examination workshops, and survivor-led talks, complemented by a Pink Month campaign. Safety and self-reliance will be promoted through quarterly self-defense and cyber safety workshops under the "Strength in Self" initiative, while "Skills for Independence" will provide vocational training, entrepreneurship mentoring, and product exhibitions to support financial stability. We will also prioritize mental health with the "Her Mind Matters" program, offering wellness workshops, peer support groups, and mindfulness sessions. By year's end, I aim to not only implement these projects successfully but also to inspire a lasting cultural shift where every woman we reach feels seen, heard, and empowered to define her own journey.

Director-Youth Service

As Director of Youth Service, I am deeply honored to steward one of the most transformative avenues of Rotaract—our connection to the future. Youth Service is not just about guiding the next generation; it is about walking beside them, learning from them, and empowering them to lead

with courage and compassion.

In every young mind lies a spark waiting to be ignited. Our role is to nurture that spark into a flame of purpose. Let us remember youth are not just the leaders of tomorrow—they are the changemakers of today. When we invest in their growth, we invest in a more compassionate, resilient, and visionary world.

District Chairperson - Projects & Foundation

It is with immense pride and purpose that I share a glimpse into the heartbeat of our district's service initiatives. As Chairperson for Projects, I have witnessed firsthand the transformative power of collective action—where compassion meets strategy, and where service

transcends boundaries.

As we journey through this Rotary year under the guiding theme of "Sustainable Odyssey," I am honored to share reflections from the Projects Avenue—a space where our ideals take shape, and our service finds purpose.

Sustainability is not merely a goal; it is a mindset. It is the quiet promise we make to future generations—that our actions today will echo with integrity tomorrow. Across our district, clubs have embraced this promise with remarkable dedication, crafting projects that are not only impactful but enduring.
