Dear Readers,

As we release the first edition of our Rotaract Club of Durgapur Central Presidency Bulletin, named "Presidency Chronicles", I am filled with immense pride and gratitude. Our journey, marked by service and leadership, reflects the vibrant spirit of Rotaract. Each page you turn encapsulates our commitment to 'Service Above Self' and the collective efforts to make a tangible difference in our communities.

Our Club opened on 12th of October 2023. Even though we are new to the Movement, we celebrate the innovative projects that have not only served those in need but also provided our members with invaluable experiences. From environmental initiatives to educational programs, our stories are testaments to the power of youth and the impact of collective action.

As you explore these pages, I encourage you to reflect on your own journey with Rotaract. Let the stories ignite a passion for service and a desire to excel in all your endeavors. Together, we are not just a club; we are a global family united by a common goal to better our world.

Thank you for your unwavering support and enthusiasm. Here's to another year of service, leadership, and fellowship.

Warm Rotaract regards,

Alingon

Have you ever felt the urge to learn a little, to witness, and to listen to the tales of the hardworking people in our vicinity and their struggles?

Yes, this time, our Club along with Helping Hut NGO organized a special event called "Alingon," where we embarked on a mission to discover the untold stories of these resilient, industrious individuals.

To listen to their stories, we journeyed from the Mahatma Gandhi Road area in Kolkata to the Bara Bazaar neighborhood. Through direct observations, our team identified ten individuals who were willing to share the unspoken words hidden deep within them. Among these individuals were rickshaw pullers and small street vendors, such as fruit and pickle sellers. The conversations we had with individuals like them allowed us to provide them with a glimpse of the city of Kolkata through their eyes and to convey the thoughts concealed in their hearts.

But does it end here? No, to elevate their voices and share their extraordinary words, we have presented each of them with our self-made gift kits as tokens of good wishes.

We extend our gratitude to everyone for patiently listening. More such beautiful examples of our work are forthcoming. Stay with us, as your support serves as our motivation.

Alor Benu

On the auspicious day of Durga Puja, our club along with Helping Hut NGO conducted a clothes donation drive called "Alor Benu" at a BPL colony near JIS University, Sodepur.

All clothes were newly purchased from the market and distributed to children in between age of 2 to 14 years. We hoped that on the arrival of Mother on Durga Puja, we can share happiness and joy with everyone, overcoming any obstacles.

While receiving the clothes, the parents were as happy as their children, and we are very proud to do something special for BPL children in the occasion of Durga Puja.

Panno ki Duniya

With hearts full of compassion, our club along with Helping Hut recently visited New Life Society Orphanage, Naihati, on October 16th, creating cherished memories with 30 wonderful children.

We started with a vibrant drawing competition that ignited their creativity, awarded prizes, followed by the joy of gifts to every child. As tokens of our love and commitment to their education, we gifted them a mini library brimming with books, both captivating stories and valuable studies. Then, we came together to share a heartwarming meal, creating bonds that will last a lifetime. The day continued with dancing, singing, acting, heartfelt conversations and endless laughter, woven together with endless innocent love, leaving everyone with smiles of joy.

This day was a masterpiece of love, laughter, and kindness. We can't wait for the next chapter! Until then, we hold these precious memories close to our hearts.
