Dear Readers,

As we release the first edition of our Rotaract Club of Durgapur Central Presidency Bulletin, named "Presidency Chronicles", I am filled with immense pride and gratitude. Our journey, marked by service and leadership, reflects the vibrant spirit of Rotaract. Each page you turn encapsulates our commitment to 'Service Above Self' and the collective efforts to make a tangible difference in our communities.

Our Club opened on 12th of October 2023. Even though we are new to the Movement, we celebrate the innovative projects that have not only served those in need but also provided our members with invaluable experiences. From environmental initiatives to educational programs, our stories are testaments to the power of youth and the impact of collective action.

As you explore these pages, I encourage you to reflect on your own journey with Rotaract. Let the stories ignite a passion for service and a desire to excel in all your endeavors. Together, we are not just a club; we are a global family united by a common goal to better our world.

Thank you for your unwavering support and enthusiasm. Here's to another year of service, leadership, and fellowship.

Warm Rotaract regards,

Rtr. Monimoy Ghosh,

Equality with DAND

Our Club in collaboration with Helping Hut Kolkata encapsulated the true essence of compassion and connection in an event collaboration with Team DAND. Talents took center stage with captivating performances in singing, recitation, and music. This was followed by gifting of plants. It was an occasion where our club members cherished every moment, creating lasting connections and educating themselves to instigate change in both them and society.
