Rotary Club of Durgapur Central

Dear all.

We are extremely happy to acknowledge the esteemed & vibrant presence and commendable contribution done by our very own Rotaract Club of Durgapur Central Presidency sponsored by our club, Rotary Club of Durgapur Central.

It is just a year that has passed and yet their very innovative, worthy of mention, project "Boier Desh" has helped them create a niche in the world of "Rotaract". The beautiful & colorful poster & project has won our hearts. Such remarkable endeavor, their undented spirits and dedication is enough to add credence to the fact that they will go long away in proving to be world citizen of true value. Keep up the good work towards betterment of humanity. It reminds us of Swami Vivekananda's legendary lines

" চিত্ত যেথা ভয়শূন্য, লক্ষ্য যেথা স্থির |"

Keep the goal before your eyes and let your heart be fearless and you will achieve the target. The battles of life don't always go to the mightier or faster man but to the person who thinks he can.

We wish both the outgoing & incoming teams for the remarkable achievements and tremendous success in their future pursuits.

We promise you to lend our hand wherever such a need arises.

Love & blessings to all of you.

ROTARACT 2023-24

Rtr. Sairath Das

Chartered President

Immediate Past - President (2024-25)

Chief Club Advisor (2024-25)

Rotaract Club of Durgapur Central Presidency

Dear Rotaractors,

With the advent of a new Rota Year, I would like to thank each one of you for your unwavering support on and off the field which made our club achieve remarkable feats.

Initial days of the Rota Year 23-24 were a bit shaky, and we all went through a turbulent time. But you did not lose hope and kept faith in me which ultimately resulted in the formation of the Rotaract Club of Durgapur Central Presidency being chartered on 12th October 2023.

Friends, your dedication, resilience and perseverance had been the sole reason for our club's such meteoric rise since the day our club was chartered. It is your belief to serve above self that has led to the formation of the projects like "Boier Dosh" later winning the Best Club Project in the entire South-East Asia in SEARIC MDIO UGRAM Awards along with several other district awards.

I firmly believe that it is just the start and under the able leadership of Ankita Roy and team, our club will achieve greater heights.

Once again, I would like to congratulate each one of you for this new Rota Year. May we all unveil the magic of Rotary among the underprivileged and make this world a better place to live. Wish you all the very best.

This year too, I hope to continue to support you all as we grow stronger. Together we would bring a positive change to this society and create many more smiles.

Dear Rotaractors & Readers,

First of all, I would like to congratulate my dear friend and IPP Rtr. Sairath Das for conducting a wonderful and colorful Rotary Year 2023-24. I wish you good luck on your future endeavors.

Now, I would like to congratulate my Didi Rtr. Ankita Roy for being the new leader and also to the Board of 2024-25. I hope we can exceed or at least match what Rtr. Sairath and his team has done for our club and take our club to new heights.

Finally, I would like to talk about my view on Rotaract. Even before Rotaract I used to believe in the saying "Service above Self". So, if you need me, I will reach to you within 5 mins to 7 Rotaract Days.

Rtr. Ankita Roy

President (2024-25)

Rotaract Club of Durgapur Central Presidency

Dear Rotaractors,

My journey in the Rotaract Club of Durgapur Central Presidency has been a continuous learning experience. One of the most significant lessons I learned is to wear the three-letter prefix "Rtr." proudly on your sleeve before or after any other prefix is added to your name. Before we glorify our prestigious positions, it is of utmost importance to be a proud Rotaractor throughout your Rotaract journey. This journey may provide you with many prestigious positions but being a proud Rotaractor who believes in the magic of Rotary is pivotal.

I am really grateful to Rtr. Sairath Das and the entire team of Rota Year 23-24 for providing me with this wonderful opportunity to serve in my new role in this tenure. Although stepping into the shoes of our Chartered President and Immediate Past President is a daunting task, I shall give my best to lead the entire team of Presidency family and achieve greater heights together. I am overwhelmed to work together with the new board and all the members of our club.

May we continue to work with high spirits and enthusiasm and shine brighter than ever.
